Texas State Operations Center

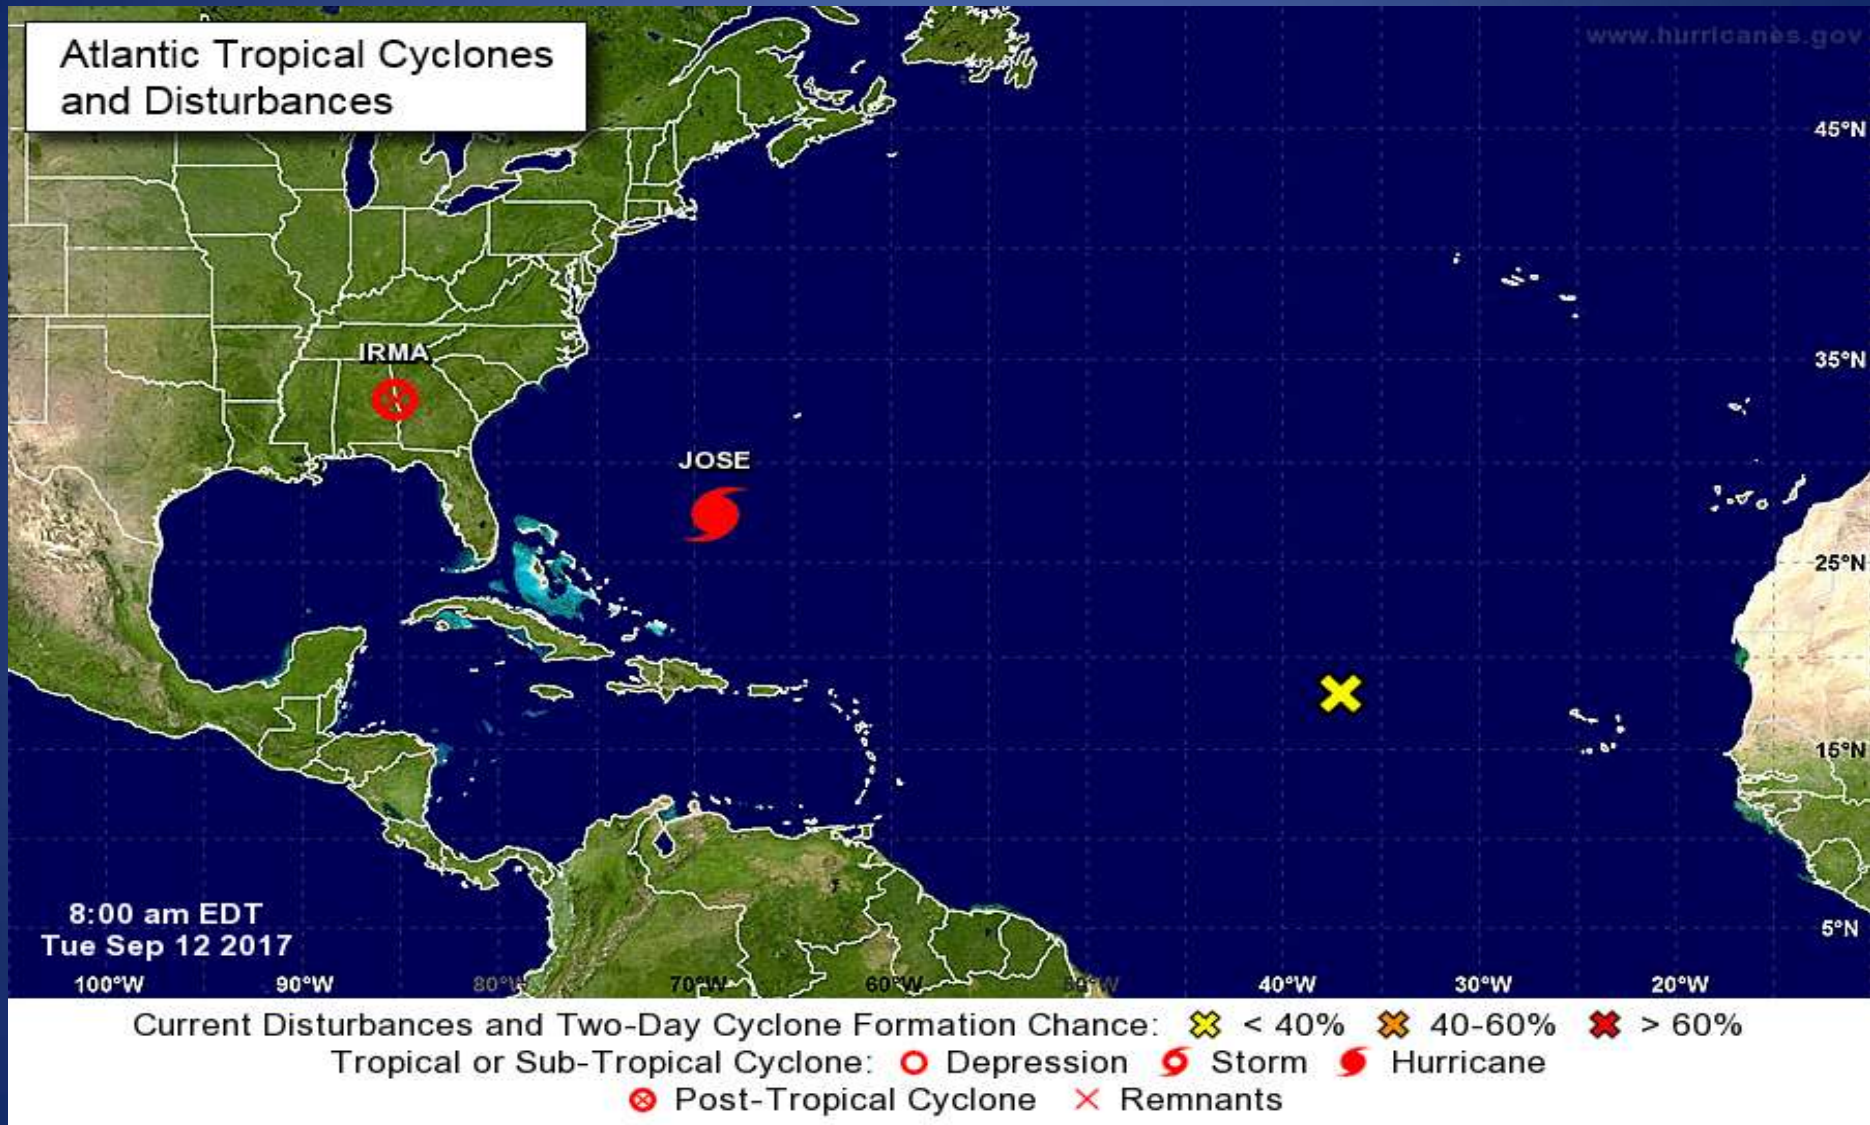

Situation Awareness Brief

Tuesday , September 12th 2017
As of 0900 CST

Tropical Weather Awareness

The National Hurricane Center is issuing advisories on Hurricane Jose, located several hundred miles north-northeast of the Turks and Caicos Islands. The Weather Prediction Center is issuing advisories on Tropical Depression Irma, located near the Alabama/Georgia border. Widespread showers and thunderstorms associated with a tropical wave located several hundred miles west of the Cabo Verde Islands are poorly organized. Upper-level winds are not expected to support significant development while the system moves northwestward to northward for the next few days.
